Abstract

The abstract should be written short and consist to easily grasp what your paper is about. Please do not include any formulae or reference in the abstract. Please provide keywords defining the essential content of the manuscript just following the abstract.

Keywords: maximum; six; keywords; defining; the essential; content of the manuscript

Section titles in 11 points bold

Manuscripts should be submitted in PDF (*.pdf) and not more than 8 pages either as full paper or extended abstract. *The conference does not require a specific format for the articles. However, the publisher provides this optional template free for use*.

Please keep the layout and format of the text as simple as possible. Leave one line space between the section title and the body text both in 11 points. Please use Times or Times New Roman fonts for main text and in bold for titles and headings, and Courier font for program code commands in 9 points. Manuscripts must be written in good English in 'single column' A4 pages with ample margins (2.54cm) without a page number. Figures should be professionally prepared in a form suitable for reproduction in black and white with the maximum final size 20cm height and 12cm width. Titles should be brief and informative without numbering, abbreviation and formulae. Papers should be written without the use of footnotes.
